

START WORK ON PARADE FLOAT

L. W. CHOBE AND FORCE ARE
NOW CONSTRUCTING BIG
PASADENA FEATURE

ARRAY OF FLOWERS

VAST QUANTITY OF ROSES AND
CARNATIONS AND OTHERS
WILL BE USED

Under the supervision of L. W. Chobe, work on the float to represent Glendale in the Tournament of Roses parade in Pasadena on New Year's day started yesterday and from now until the start for the Crown City, Mr. Chobe and his assistants will be exceedingly busy with the construction and other details.

Chairman R. F. Kitterman and members of the float committee held a meeting at the city hall on Thursday night and the work was outlined; now the actual construction is under way, with Mr. Chobe, who designed last year's prize winner and who drew the design of this year's display, working day and night to have the float completed. The idea on which the float is based was suggested by Chairman Kitterman and unanimously adopted by the committee after Mr. Chobe had worked out the design.

For obvious reasons, The Evening News cannot, at this time, give a complete description of the float, but it may be said that it will indicate, in a very novel and pleasing manner, the remarkable growth of the city of Glendale and, too, will remain within all the restrictions put about prize entries by the Tournament of Roses association.

Many Flowers To Be Used

A vast number of flowers will be used to decorate the float. In fact, the cost of the flowers will be the most expensive item in connection with the float's construction.

Carnations, sweet peas and roses will be used in abundance. It is estimated by Mr. Chobe that 10,000 carnations will be necessary to carry out the design. Two dozen bunches of sweet peas will be needed. Violets and other flowers will be required. Five thousand carnations will be taken for one feature of the float. Marigolds and red carnations will be used in another feature. Five thousand roses will be needed.

The citizens of Glendale, the city and subscribers to the tractor show fund have turned over to the committee more than \$1,000 to be used in the float.

Mr. Chobe has worked out a novel idea in connection with the float's motive power and this is expected to be one of the surprises of the parade.

HOUSE ENTERED

MRS. H. KOEPKE'S HOME GONE
OVER BY THIEF; NOTHING
DISCOVERED MISSING

Thieves entered the home of Mrs. H. Koepke, 1315 South Central avenue, Sunday afternoon, but so far Mrs. Koepke has discovered nothing missing.

The general appearance of the house made Mrs. Koepke suspicious when she returned about 5 o'clock in the afternoon from a brief call. She telephoned the police.

Entrance into the house had been made through a cellar window. It is believed. Mrs. Koepke suspects a pale, thin stranger, who had inquired if she had any chickens to sell, earlier in the day. She described him as being five feet nine inches tall, dressed in a blue serge suit.

Leaves Auto Standing Upon Railroad Tracks

Glendale police were called at 4:30 o'clock this morning to investigate an accident which occurred on the right-of-way of the Southern Pacific railroad and in which a Packard automobile was utterly demolished.

The automobile had been left standing on the tracks, presumably by the owner who had gone to open the gate which led into the Scott ranch. A train coming at a rapid rate along the track struck the car and wrecked it. Los Angeles police were also summoned and took charge of investigations. The name of the owner of the damaged car was not learned.

REGULARS CREEP TOWARD HEART OF FIUME

(Special Service to Glendale Evening News)

ROME, Dec. 28.—Land and sea operations developed rapidly around Fiume today. With constantly increasing pressure, regular forces crept toward the heart of the city.

Thirty regulars have been killed and 150 wounded in the sniping, bombing and mining defense of the D'Annunzio troops, which have fallen back to the center of the city.

Every approach to headquarters has been mined. Orders were issued that no buildings were to be spared if their destruction would hamper the regulars.

The handsome stone bridges, once a feature of the port's architecture, have been wrecked as the troops drew back.

It was denied officially that D'Annunzio has been wounded.

ARMY OF PROHIBITION AGENTS IN RAID

(Special Service to Glendale Evening News)

HURLEY, Wis., Dec. 28.—A small army of prohibition agents swooped down on Hurley at noon today and started a wide-spread clean-up of alleged illicit liquor traffic.

Seventy-five agents arrived from Chicago and immediately began serving fifty-nine warrants issued for members of an alleged whisky ring.

Business in the "widest open town in the north woods" came to a stop as the agents scurried about the streets with their hands on their revolvers, ready for trouble.

The band of whisky runners who had vowed to keep the place "a man's town for real men" were apparently taken by surprise and no opposition was made.

PRESIDENT'S YACHT-MAYFLOWER ON FIRE

(Special Service to Glendale Evening News)

WASHINGTON, Dec. 28.—The yacht "Mayflower," on which American presidents and cabinet officers, as well as notables from nearly every nation on earth have ridden, caught fire at her wharf today.

Quarters of the crew and officers were practically destroyed. Damage was estimated at \$100,000. Cause of the fire was not determined.

GUESTS IN CITY

MILTON JACKSON AND SISTER
ARE VISITORS AT HOME
OF GEORGE BREWSTER

Milton Jackson and sister, Mildred, of Venice were guests of Police Sergeant and Mrs. George Brewster, 227 North Sinclair avenue, on Christmas.

Mr. Jackson, formerly a deep sea sailor, has been making his home in Venice since the war, where he opened a small restaurant, which was burned in the recent fire.

While a steward on sea-going vessels during the war, Mr. Jackson had a number of thrilling experiences. He was twice shipwrecked. The first time, the ship on which he was steward was torpedoed by the Germans. The German captain gave the American crew five minutes to disembark.

Mr. Jackson and others of the crew were left to drift about in an open boat for three days and four nights before they were able to reach the coast of the Canary islands.

Drift About in Life Boats

The second shipwreck took place off the coast of Georgia. The captain had loaded his ship with too much freight and, while some distance out, it sank. The crew was again obliged to drift about in life boats for several days and nights. Mr. Jackson and those with him were picked up by a steamer the evening of the fourth day.

During the years spent at sea, Mr. Jackson visited every large port in the world. He says he is now ready to spend the rest of his life in southern California.

Intermediate School Building Is Robbed

Thieves, believed to be youths, entered the Intermediate school building sometime since the school was closed for the holiday season, and removed school property.

The lock was pried off one of the desks and \$10 in cash was stolen. Other desks were opened and papers rummaged through. An inventory has not been taken of the articles missing.

Two typewriters had been carried from the typewriting room to the library, with the intention, police believe, of carrying them out by way of the fire escape. They were abandoned, however. The weight of the typewriters and the skill with which the desks had been opened led police to believe that the work was that of older boys familiar with the building.

WED CHRISTMAS

MISS MARION DINSMORE IS
BRIDE OF LEO O. BURT;
TO RESIDE IN INDIO

Another Christmas wedding added to the charm and joy of the birthday of the King, when Leo O. Burt and Miss Marion Dinsmore were united in marriage on Christmas day at the home of Rev. Clifford A. Cole, pastor of the Christian church. It was a quiet ceremony witnessed only by the brother and sister-in-law of the bridegroom, Mr. and Mrs. Fred Burt of Burbank, themselves newlyweds. Leo Burt has until recently been employed by the Roberts & Echols drug company. A short time ago he bought a drug store of his own in Indio and is preparing his home for the young bride when they shall have settled down to domestic duties.

Mrs. Burt is the oldest daughter of Mrs. Marion E. Dinsmore, of 1211 Viola street, and has been an employee of a department store in Los Angeles. A host of young people and others are congratulating Mr. and Mrs. Burt on the happy start in life.

DYNAMOS WINNER

PRESBYTERIAN CHURCH TEAM
DEFEATS HIGH SCHOOL'S
SQUAD IN CONTEST

The Dynamos class of the Presbyterian church has organized a basketball team of "dynamic men," who, their report, just about annihilated the high school team last Tuesday, beating them by 18 points. Next Tuesday the Dynamos will play the Monrovia team.

Program Is Given in Behalf of Christmas

A belated but nevertheless very enjoyable program was given at St. Mark's Episcopal church last night by members of the Sunday school, assisted by the vested choir.

Following a brief church service and anthems by the choir held in the church auditorium, the meeting adjourned to the Sunday school rooms, where the children took the program in charge. Grace Jackson and Elizabeth Farris gave recitations and each class from the primary to the senior division responded with exercises, all the children taking their parts in a most creditable manner. Especially well done was the memory verse work of Miss Martha Myers' primary class.

Following the formal program gifts were taken from the Christmas tree and given out to the children.

OVER 50 SIGN UP AS GUARDS

NAMES OF MORE NEW MEN FOR
GLENDALE COMPANY GIVEN
OUT BY CAPT. WATSON

STILL MORE DESIRED

PHYSICAL EXAMINATIONS TO
BE HELD ON WEDNESDAY
NIGHT, 7 O'CLOCK

Fourteen more names have been added to the list recently published in The Evening News of men who have enlisted in the Glendale company of California National Guards, thus swelling the total to more than fifty.

These are Roy Mason, Bernard Dennison, Kenneth Wilde, William E. Kelly, Norman Begg, Charles K. Waste, Andrew Nelson, Boyd E. Dennis, Floyd C. Carmack, Charles Badour, Arden Gingery, Lester Shull, David L. Hanson and Charles W. Lettis.

All who have registered will be physically examined Wednesday evening at 7 o'clock, following which the company will be formally organized.

The government accepts a company when fifty members have been secured and while fifty have already enlisted in Glendale's company, some will probably not pass their examinations. Captain Watson is urging, therefore, that all men who are thinking of joining make known their intentions before Wednesday so that the company can be accepted at once and equipment ordered.

Given Discharge At Any Time

In reply to some of the questions which men of Glendale have been asking ever since the opening of the recruiting station on North Brand a week ago, Captain Watson stated that it is not compulsory to stay in the guard and that any member will be granted a discharge at any time.

"Only those who want to belong are desired," he said, "as the guard is a benefit to the individual and after a company is started there will be plenty of men who will want to get in to keep it to full strength."

"Any man belonging to other guard companies can get transferred to the Glendale company on application or if he moves away he can either obtain a transfer or a discharge."

"One of the benefits which ought to appeal is the fact that this will be an exclusive club without dues, and all kinds of athletics will be catered to."

CAUSE DAMAGE

CARELESS DRIVING RESULTS
IN LOSS, ACCORDING TO
OFFICER'S REPORTS

Two automobiles damaged city property as the result of careless driving last Sunday, according to reports of Traffic Officer W. E. Trautwein. A Ford car driven by Mrs. N. J. Marchant, 6511 1/2 Hollywood boulevard, smashed into the curbing at the corner of Maple and Brand boulevard, damaging the parking strip.

The second accident occurred at the intersection of San Fernando and Los Feliz roads. Mrs. Kate Cammock was driving north of San Fernando road in a Chevrolet when a Nash car going East attempted to cut the corner at the intersection of Los Feliz and caused the Chevrolet to hit a lamp post, breaking an auto sign and smashing the light globe. The passengers of neither car were injured.

SURPRISE VISIT

MR. AND MRS. J. L. LITTELL OF
PITTSBURG HERE; EXPECT
TO ERECT RESIDENCE

Mr. and Mrs. J. L. Littell and children arrived Christmas day from Pittsburg, Pennsylvania, on a surprise visit to the home of Mr. Littell's brother-in-law and sister, Mr. and Mrs. H. W. Korb, 1242 East Harvard street.

Mr. and Mrs. Littell expect to build a residence here and make it their permanent home. They are well pleased with Glendale and are confident the city has a fine future.

WEATHER FORECAST

LOS ANGELES, Dec. 28.—The official weather forecast issued today is: Fair.

PLAN TO WIDEN CALIFORNIA LAND LAWS

(Special Service to Glendale Evening News)

WASHINGTON, Dec. 28.—The report that Japan had withdrawn opposition to the California land laws took a new turn today when Representative Kahn announced he had called a meeting of the house California delegation to consider widening the law to prohibit land holding by all foreigners.

The meeting will be held tomorrow, according to Kahn, who is a member of the California delegation. The meeting is considered highly significant in the light of these two points:

First, application of the present anti-alien land law to all foreigners automatically nullifies the protest of Japan against the measure as discriminatory to Japan, even if Japan continued her opposition.

Second, widening of the law to act as a check against the large British oil holdings in California.

It was indicated in one authoritative quarter that the reason for Japan's reported withdrawal of her protest against the law was because Great Britain is worried over the future of her California oil interests.

URGE TRADE WITH RUSSIA BE RESTORED

(Special Service to Glendale Evening News)

MARION, O., Dec. 28.—Restoration of trade with Russia is being urged on President-elect Harding by many of his influential advisors and is being seriously considered as one of the proposed policies of the incoming administration.

The reported cancellation by soviet Russia of millions of dollars worth of contracts with American firms today threw the Russian question into the front rank of problems facing Harding.

Herbert Hoover and others were in Marion recently and urged upon Harding the necessity of opening up the latent wealth of Russia. Until this is done, they declared, the economic turmoil of Europe and the United States will continue.

ATTEND PARTY

NUMBER OF RESIDENTS OF
GLENDALE ARE PRESENT
AT HOLIDAY AFFAIR

A very pretty Christmas party was given in Burbank Christmas day, which was enjoyed by a number of Glendale people. The scene of the festivities was at the home of Mr. and Mrs. E. L. Tuck, which has just been completed. Decorations of kewpies and Santa Claus on the dining table, and Tolly in various rooms enhanced the beauty of the new home. Following a most sumptuous dinner, entertainment was furnished by a Christmas tree, with gifts for everyone, and music. The guests were Dr. and Mrs. R. V. Hogue and son, Benly, Mrs. Allen, mother of Mrs. Tuck, Mr. and Mrs. Linkogel and children, Eula and Myrl, and Johnny Berry, all of Glendale; Mrs. Marmaduke, Sandford Marmaduke and Mrs. Betty Owen of Los Angeles.

DINNER HOSTS

MR. AND MRS. SPICKERMAN OF
KENWOOD STREET GIVE
CHRISTMAS AFFAIR

Mr. and Mrs. C. W. Spickerman of 131 North Kenwood street entertained at a Christmas dinner for Mr. and Mrs. R. C. Proctor and son, Donald, L. C. Spickerman and Mr. and Mrs. L. L. Harwick of Rochester, Minnesota. Mrs. Harwick is an only sister of C. W. Spickerman.

Mr. and Mrs. Harwick came to Glendale about a month ago and are settled in one of the Jeffries cottage at 334 Salem street for the winter. Mr. Harwick has been postmaster in Rochester for several years, and their son, Harry Harwick, is general manager for the noted Mayo Bros. clinic there in Rochester.

Vested Choir Program Is Enjoyed by Many

The St. Mark's Episcopal vested choir manifested the progress which it has made during the year under the direction of D. R. Jackson, its leader, when it presented Christmas day, and the following Sunday, Lansing's beautiful composition, "There Were in the Same Country Shepherds." The solo work was especially good, these parts being taken by Miss Nellie Mai Williams, soprano, and Charles Comfort, tenor.

On Christmas day Cramer's communion service was participated in and regular communion service was held on Sunday. A special offering was taken up at both services and the money thus collected will go toward the organ fund.

Mr. Jackson announced today that the choir would soon begin practice on the Easter service, which he hopes to make the most elaborate which the choir has ever rendered.

AGED MAN DIES

JOHN M'BOYLE PASSES AWAY
HERE; NOTED FOR STEADY
CHURCH ATTENDANCE

John McBoyle died Monday morning, December 27, at the home of his son and daughter-in-law, Mr. and Mrs. Arthur T. McBoyle, 369 Millford street, at the age of 83 years.

Mr. McBoyle was born in Aberdeen, Scotland. He had been active in the work of the Presbyterian church throughout his entire life; even since his coming to Glendale a year ago, he had never missed attendance at church on Sunday until a week ago last Sunday, when the heavy rain forced him to remain at home.

Mr. McBoyle's only living relative is his son; but he had many friends in Glendale and elsewhere who will mourn his passing.

The body is at the Jewel City Undertaking parlors and funeral services will be held on Wednesday afternoon at 2 o'clock at the Little Church of the Flowers, Reverend Dr. W. E. Edmonds officiating, and interment will be made in Forest Lawn cemetery.

COUPLE WEDDED

MISS ESTHER SCHREMP AND
LOYD W. BRADLEY MARRY
AT HOME OF BRIDE

A very simple but pretty wedding took place yesterday morning at the home of Mr. and Mrs. Jacob J. Schremp, 340 West Broadway, when their daughter, Esther, was united in marriage to Lloyd W. Bradley of Venice, California, Rev. W. E. Edmonds officiating. Only relatives of the bride and groom were present.

Following the ceremony a wedding breakfast was served, after which Mr. and Mrs. Bradley departed for San Diego, via automobile, where they will spend their honeymoon. The house was decorated in poinsettias and holly, appropriate to the holiday season.

The out-of-town guests were Mrs. Frank M. Evans and daughter, Mary, of Utica, New York, and John Schremp of Seattle, Washington.

Dinner Is Given in Honor of Engagement

In honor of the engagement of their daughter, Miss Dorothy, to Harry E. Spink, Mr. and Mrs. William Hutchinson, 626 Myrtle street, entertained at a dinner in the beautiful dining room of the Union League club, Los Angeles, on Thursday, December 23.

Guests were members of the families of Miss Hutchinson and her fiancée, who extended their felicitations to the happy young people.

Miss Hutchinson is a popular member of Glendale's younger set and Mr. Spink, also, has many friends here.

MRS. RUBY SCOTT TAKEN BY DEATH

RESIDENT OF GLENDALE FOR
TEN YEARS PASSES AWAY
RESULT OF ILLNESS

ACTIVE FOR CHARITY

PROMINENT IN PRESBYTERIAN
CHURCH WORK; FUNERAL TO
BE HELD WEDNESDAY

Mrs. Ruby Scott was summoned by death yesterday at the home of her son-in-law and daughter, Mr. and Mrs. David Black, 1450 Kenneth Road, with whom she had made her home ever since coming to Glendale, ten years ago.

Mrs. Scott was born in the state of New York. She had been a member of the Presbyterian church since childhood. Her religion was of the type that expresses itself in kindly deeds, hence she had all her life been active in charitable work. Her marriage to William Scott took place in Waukegan, Illinois, where she lived for some time; she also lived for many years in Mendota, Illinois.

Mrs. Scott was in her 86th year and she had been ill for four months. There is left to mourn her loss, one daughter, Mrs. David Black, and two granddaughters, Mrs. Clair T. Van Etten and Miss Esther Black, both of Glendale.

Funeral Services Tomorrow

Funeral arrangements are in charge of the Jewel City Undertaking company, and services will be held at the Black home, 1450 Kenneth Road, North Glendale, tomorrow afternoon at half past one. Reverend O. P. Rider will officiate, assisted by Reverend Dr. W. E. Edmonds and Reverend Julius Soper. Mrs. Bowman, a relative of Mrs. Scott, will sing. Friends are invited to attend services.

ELKS IN CHARGE

GLENDALE LODGE WILL GIVE
SERVICES IN HONOR OF
DR. LEONIDAS HURTT

A full Elks' service will be accorded Dr. Leonidas H. Hurtt, the chemist, who died at his home in Los Angeles yesterday, by the Glendale order of Elks, of which he was a member. Services will be held at the Little Church of the Flowers at 10 a. m. Wednesday and burial will be in Forest Lawn cemetery. Pallbearers will be chosen from among the officers of the order.

Dr. Hurtt built the first brick building in the business part of Glendale, the Hurtt block, at 610-A East Broadway. He was foremost in formulating the Glendale Chamber of Commerce, was one of its charter members and was elected its first president. His widow was formerly Miss Sarah Pepper, daughter of Judge Enoch Pepper of Los Angeles, to whom he was married in 1909.

HOME LOOTED

NUMBER OF ARTICLES TAKEN
WHILE FRANK FOX FAMILY
AWAY FOR HOLIDAYS

Several hundred dollars worth of jewelry, clothing, silverware and table linen was stolen from the home of Frank L. Fox, 345 North Kenwood street, over the week-end.

The Fox family were away from home over the holidays and returned to find that their home had been ransacked from garret to cellar. Everything of value that could easily be carried away had been taken. The table linen and silverware bore the initial F. The police are making a thorough investigation in hope of establishing a clew to the thieves.

WOULD MAKE HENS WORK

AMES, Ia.—A plan to work hens overtime has been announced by the Iowa State College of Agriculture. Electric lights in poultry houses are to be turned on early in the morning so the chickens will think it is daylight and get up and get busy, and kept burning late in the afternoon so they will be ashamed to go to roost early. The additional number of eggs produced it is estimated will more than pay for the electric light.

Boys Dig Swimming Hole in New Park

"Hope long deferred maketh the
heart sick" is a truism—one that is
poignantly felt by a certain group of
small boys in Glendale, though if
you should hurl this trite saying at
them they'd probably retort with "Aw,
whadda ya mean, 'hope long deferred'?"
Where did ya get that noise?"
But that they felt the bitter yearn-
ing of hope long deferred, even if
they could not understand its verbal
expression, is proved by the fact that
secretly and with grim purpose a
group of them has been at work at
various times during the past month,
whenever they could evade the vigi-
lance of the parental eye, digging a
swimmin' hole in the new city park.
When discovered they had already
wasted \$17 worth of water.
Obviously, the small boys of Glen-
dale are tired waiting for the prom-
ised swimming pool; they believe in
"act, act in the living present."

Life Insurance For Women Wage Earners

Every young woman earning a
salary should save at least one-
tenth of her earnings during her
most productive years, for the
proverbial rainy day or for ad-
vanced years when she may not
be able to earn as much as at
present.
When insured under a 20-year
Endowment Policy, which is
both a protection and an in-
vestment, she has created an es-
tate of the full amount of the
policy as soon as the first pre-
mium is paid. At the end of
twenty years the endowment is
payable to the insured if living,
which will represent more than
two years' salary if one-tenth of
her earnings have been invested
in insurance.

EXPLORER TO USE AIRPLANE

CHICAGO—W. D. Boyce, world
traveler and publisher of Chicago
and Indianapolis, left for Vancouver,
B. C., on the first leg of a 50,000-
mile journey to the little known is-
lands of the South Seas and to New
Zealand and Australia. When he
returns home next summer, he will
have visited every land and covered
more than forty thousand miles by
land and water.

Airplanes will be used by the trav-
eler and his party to reach the de-
sert and outlying places of Australia,
heretofore accessible only by use of
camels because of lack of water fa-
cilities. Boyce made arrangements
to charter vessels which will carry
his party far off the beaten track of
tourists of the South Seas, and, by
use of airplanes, take pictures of the
various island groups. He is taking
an expert aerial photographer who
took photos on European battle-
fields.

RESERVOIR SITE

PART OF JUDGE E. M. ROSS
PROPERTY TO BE TAKEN
FOR CITY PURPOSES

Relative to the improved water
system of Glendale, under the \$260,-
000 bond issue, the board of city
trustees having decided to purchase
a portion of land from Judge Er-
skine M. Ross, situated at the lower
end of Verdugo canyon, for a reser-
voir site, the following report was
submitted by T. W. Watson, city
manager, to the board of trustees:

"Pursuant to your instructions we
have secured appraisement by W. S.
Perrin, John A. Cole and Ezra F.
Parker, which we submit herewith,
of the 3.19 acres of land situated at
the lower end of Verdugo canyon be-
tween the Verdugo road and Verdu-
go wash which now belongs to Judge
Erskine M. Ross and is desired by
the city as a location upon which to
build the 7,500,000 gallon reservoir
that is to be located at the 720-foot
level.

Supplemental Report Filed

"Their first appraisement submit-
ted on October 26 was \$5,750. After
further considering the matter, how-
ever, taking into consideration the
fact that Judge Ross owns a large
amount of valuable ground adjacent,
especially to the north, and the dam-
age that would accrue thereto by
reason of the building of a large reser-
voir at this location, a supplement-
al report was submitted recommend-
ing that the award be the sum of
\$6,500.

"As reported to your board on No-
vember 16, the judge authorized us
to report that he would sell the prop-
erty in question to the city of Glen-
dale for the sum of \$7,000, and in
pursuance of your further instruc-
tions of that date, we suggested to
the judge that the matter be submit-
ted to arbitration, the city appoint-
ing one appraiser, the judge one and
these two appointing a third. Re-
plying, the judge stated that he had
consulted a number of disinterested
parties competent to judge the value
of this ground and of the considera-
tion that he should have by reason
of the building of a large reservoir
thereon and that they all agreed
with him that \$7,000 would be a rea-
sonable consideration therefor. We
have discussed the matter also with
a number of disinterested parties, all
of whom agree that the price asked
by the judge is not excessive when
due consideration is given to the fact
that it is to be used for reservoir pur-
poses."

The trustees, after some discus-
sion, voted to purchase the property
desired for the reservoir site.

WATER SERVICE

EXTENSION ON MAGNOLIA IS GRANTED; CITY MANAGER SENDS COMMUNICATION

Extension of city water service, which was ordered at the last meeting of the board of city trustees, the installation being on Magnolia avenue, west of Central avenue, was based on the recommendation of T. W. Watson, city manager, who filed the following communication with the trustees:

"Harry Hague of 1227 South Central avenue has made application for water service on Magnolia avenue, west of Central avenue. The installation of this service will require the laying of about 400 feet of water main, 200 feet of which will be required to reach Mr. Hague's property from the main on Central avenue and might properly be classed as distribution main. The additional 200 feet would be classed as service main as it will serve the abutting property.

Estimated Cost About \$200
"I would therefore recommend that the city install a four-inch, fourteen gauge, riveted steel distribution main on Central avenue westerly approximately 200 feet, the estimated cost of which is \$200.

"I would also recommend that the city lay a service main extending from the west terminus of the above mentioned distribution main to the west terminus of Magnolia avenue, provided the owners of abutting property will agree to pay the cost thereof and will deposit with the city in advance a sum equal to the estimated cost which is \$200."

RATIFICATION

REPUBLICAN COUNTY LEADERS MEET TONIGHT TO PLEDGE HELP TO LINEBERGER

Ratification of the selection of Major Walter Lineberger of Long Beach as the party's choice for congress in the ninth district, of which Glendale is a part, will occur tonight at the Union League club auditorium, Los Angeles, when the Republican County Central committee holds a meeting.

Al Bartlett, chairman of the county committee, will preside. The committee has 160 members. It is stated that there will be no opposition to the ratification of Major Lineberger's appointment as congress candidate.

It is announced today that there is no truth in the report that Montyville Flowers, an unsuccessful candidate for the nomination before the Pasadena conference, will run independently.

GAIN HONORS

PROFESSOR LOCKWOOD CHOSEN LEAGUE HEAD; MISS MIDCALT COMMITTEE MEMBER

Glendale public school teachers are a progressive body of people and that they are recognized as "live wires" by their colleagues in the county and in the state is shown by the prominent part they play in educational affairs.

Professor G. O. Lockwood, one of the high school teachers, has recently been elected president of the Teachers' League, an organization comprising all the teachers in Los Angeles county.

Miss Clara Midcalt, president of the Glendale City Teachers' club, was a member of the revision committee which drafted the new constitution for the California State Teachers' association, adopted last week.

This new constitution gives Glendale representation on the Council of Education; representatives from this city are Superintendent Richardson D. White and Norman Whytock, teacher in the Intermediate school.

NAILS IN YOUNG MAN'S HEAD
PARIS—The phenomenon case of a young man whose chief enjoyment in life apparently consisted in walking around with huge nails driven into his skull has just been brought to the attention of the French academy of medicine.

Photographs of the young man, M. Martin of Marseilles, and X-rays, were shown the distinguished assembly and revealed the presence of two long nails practically passing through the young man's brain. In spite of this he lived on in the best of health.

It was reported in this connection that when at one time family physicians pulled the nails out, as one would pull them out of a wall, the patient, on being left alone and apparently sensing an empty feeling in the head, picked up a couple of knitting needles and jabbed them through the holes left by the nails. X-rays of this feat were also brought as documentary evidence.

OBJECTS TO STRONG PIPE.
BUFFALO, N. Y.—John Ruble's mother-in-law, Mrs. Rosie Williams, smoked a pipe that was so strong the other inmates of the house objected. So did Ruble. He asked his kin when she was going to go. She said when she got good and ready. She dared him to put her out. He did, bag, baggage and pipe. The story came out in court. Mrs. Williams had a black eye. Ruble admitted the eviction, but denied the discolored optic.

ATTEND SERVICE

SEVENTH-DAY ADVENTISTS OF GLENDALE ARE GUESTS AT PASADENA CHURCH

A party of Glendale Seventh-day Adventists were guests at the Pasadena Seventh-day Adventist church, Summit and Mountain streets, Pasadena, on Sunday evening.

An unique feature of the occasion was the decorations of crisp, new one-dollar bills, festooned from chandelier to chandelier, the occasion being the thirteenth Sabbath offering for foreign missions, as well as the annual Christmas program of the church. Feathery branches of the pepper tree drooped gracefully from the tops of the windows and doors and arches. Over the platform was a large map of South America, with Brazil in darkness, except for fifteen electrically-lighted spots which shone out of the darkness like stars out of the night. Suspended over the map was a large Bible inclosing a picture of Jesus, the Light of the World. Over all were the words "Christmas Offering" in large, red, cut-out letters.

Explains Purpose of Meeting
After an appropriate hymn and an opening prayer by Missionary E. H. Gates, Dr. Wooster explained the purpose of the meeting; the celebration of the birthday of the Redeemer, and the bringing of gifts to Him, not as the wise men brought them to Him personally, but by giving to the poor people in Brazil and other parts of the world—for He said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto Me."

Dr. Henry Harrower, of Glendale, sang a solo entitled "The Promise of Life." There was an interesting program by the children of the church, a recitation by Frank Webster and a monologue by Mrs. Harris, after which followed the great event of the evening—the laying of the steamboat "Pasadena," designed and built by Frank Webster.

One by one the children passed by the boat and dropped their bags of money into the hold. The adults were also given an opportunity to help. While an inventory of the cargo was being taken, Miss Sandberg gave a report of the Home Missionary work, and Mr. Hall gave some encouraging comparisons between the Sabbath schools of long ago and now.

Miss Zahn told that the membership of the Pasadena Sabbath school is about 120. She ended up by giving the amount of the Christmas cargo taken on by the boat "Pasadena" during the evening. It was \$821.81. The closing number of the program was "Nearer My God to Thee," on the horn and violin.

NAVY BLUEBIRD

WHISTLER TO BE FEATURE OF GATHERING; WATCH PARTY ON NEW YEAR'S EVE

Arthur D. Rudeon, who gained the reputation of being the best whistler in the United States navy during the war, in which he served, will be featured at a gathering to be held in the Central Avenue Methodist church tonight, the entertainment being given by the 4C class. Mr. Rudeon is called the "Navy Bluebird," and his whistling is said to be unique and entertaining.

A watch party will be held New Year's Eve. A banquet will be served at 6:30 o'clock, following which games will be served, consecration services held and a social time enjoyed while the old year draws to a close.

CATHOLICS FORBID THIS FILM
PARIS—An Italian film company, at a cost of 5,000,000 lire (normally \$1,000,000), made a picture called "The Holy Bible." It pretended to give the story of what happened to earth from its creation to the crucifixion of Christ. It was shown at the Vatican, according to dispatches from Rome to French newspapers, and the Pope was so shocked at certain scenes that he tried to have the film destroyed.

The owners refused, whereupon the Pope has issued a proclamation to all Catholics forbidding them to view the picture.

Stories from Rome say that the scenes which particularly displeased Pope Benedict were those in the Garden of Eden, where Eve was shown munching an apple surrounded by a vivid idea of what should be terrestrial paradise. Actors in this scene wore no clothes. In one of the scenes—that of the Tower of Babel, it said—20,000 actors took part.

WOULD SPANK NEW YORK GIRLS
NEW YORK—New York girls between 16 and 18 who do not go to the continuation schools as required, but who instead "come into court painted far more brilliantly than footlight favorites" are in need of a spanking, Magistrate Alexander Brough declared.

"A good spanking would do them good," he said, neglecting to suggest who should have that task.

"Most of the truancy cases," he said, "were the daughters of foreign-born parents."

"Their mothers try to get them to attend classes," said Judge Brough, "but they are laughed at by their haughty Americanized offspring."

It does not require an artistic sense for a person to draw the color line.

MRS. LILLIAN SMITS GIVES CHRISTMAS PARTY FOR HER MUSIC CLASSES

A Christmas party was given yesterday afternoon by Mrs. Lillian Smits at her home, 231 Milford street, to the members of her music classes. The invited guests were the older pupils and the mothers of the pupils who gave the program.

A Christmas tree, refreshments and games formed part of the entertainment, the main feature of which was the following delightful program given by the little folks: "Christmas Tree March," Wesley Kent; "Old Folks at Home," Vivian Malone; "The Cello" and "Dance Lightly," Donald Bentley; "Beat Song," Julia Pelly; reading, selected, Howard Kent; "Dream Castles," Dorothy Gardner; "Milk Song," Narcisse Truitt; "Circling the Christmas Tree," Avis Young, and "Holy Light," Byron Kull.

TRUNK'S GOLDEN LINING
COLLINGDALE, Pa.—Mrs. Alfred Bitterlin of Staley avenue received one of the happiest surprises in her life when an old trunk for which she paid out \$1 to a junk dealer in Scranton, enriched her by nearly \$400 in gold. Mrs. Bitterlin and her family moved from Scranton to Collingdale recently. Before moving she had a number of articles which she wished to pack and, not having a trunk, purchased one from a junk dealer, never dreaming that it contained hidden golden treasure.

War taxes would be worth it if they would teach the world that wars are not worth the price.
